swissair Cargo

Clouds are not to be foreseen...
they improvise a surprise
according to the winds & the
moons - naturally they
make much mess.
So, they rain & in some
emergency cases, to call
back travellers lost in
the blue, they whistle...

daringly! Ça ne ne fait
absolument pas! Not good!
they are not acceptable
on earth —
thats why they feel much
better up in the sky...
Smiles!!
